- (page 27).

Indonesian Teacher's competences

- The Indonesian government mandated that certified teachers and graduates from the faculty of education have four competences:
- **Pedagogical competence:** (a) Able to plan learning; (b) able to conduct teaching/learning; (c) able to evaluate and assess learning.
- **Personality competence:** behave in accordance to social, religious, ethical, legal norms
- **Social competence:** able to communicate effectively with students, colleagues, parents, and society at large.
- **Professional competence:** Have deep and thorough understanding of the subject matters; Have deep and thorough understanding of teaching/learning approaches, methods, and techniques; technology; and scientific method.

Competences of Tuning TASE Project

- 13 Generic Competences
- 28 Specific Competences
- Meta Profile of SEA teacher education

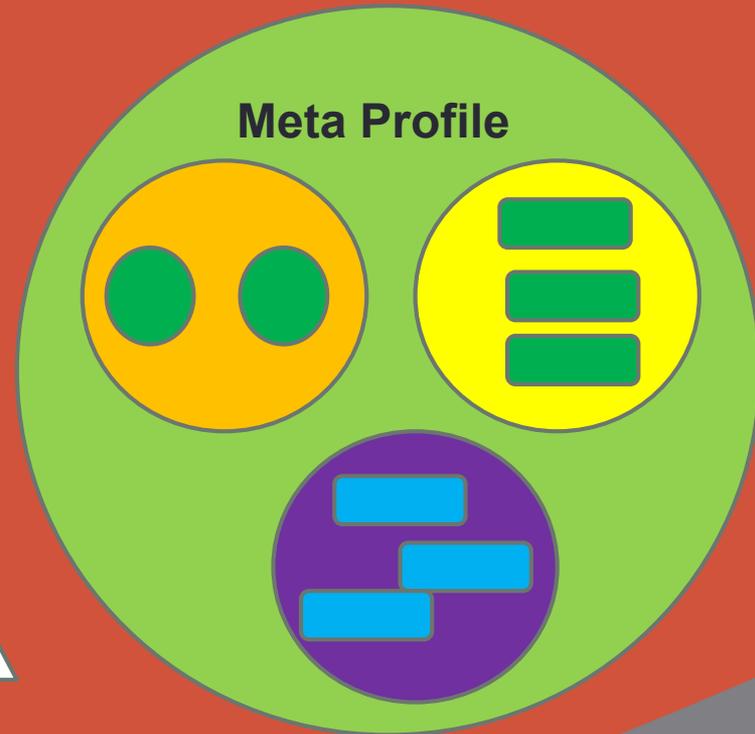

Link of the degree with the Tuning TASE meta-profile

There are 4 groups of competences in the English Education meta profile with 29 specific competences. In the TASE teacher education SAG there are 3 groups of meta profile with 28 specific competences. Most of the specific competences are similar. However, there are some elements or details that are different.

Meta Profile Integration

Incorporating Tuning TASE competences

- EED curriculum review
- Learning outcomes mapping
- What is lacking? → critical thinking skills
- Tuning the competences
- Selecting subjects to introduce new competences
- Revisiting the learning materials and activities

Pilot Project

- Revitalising the “Critical Reading and Writing 1” and “Critical Reading and Writing 2” modules at the English Education Department of SDU

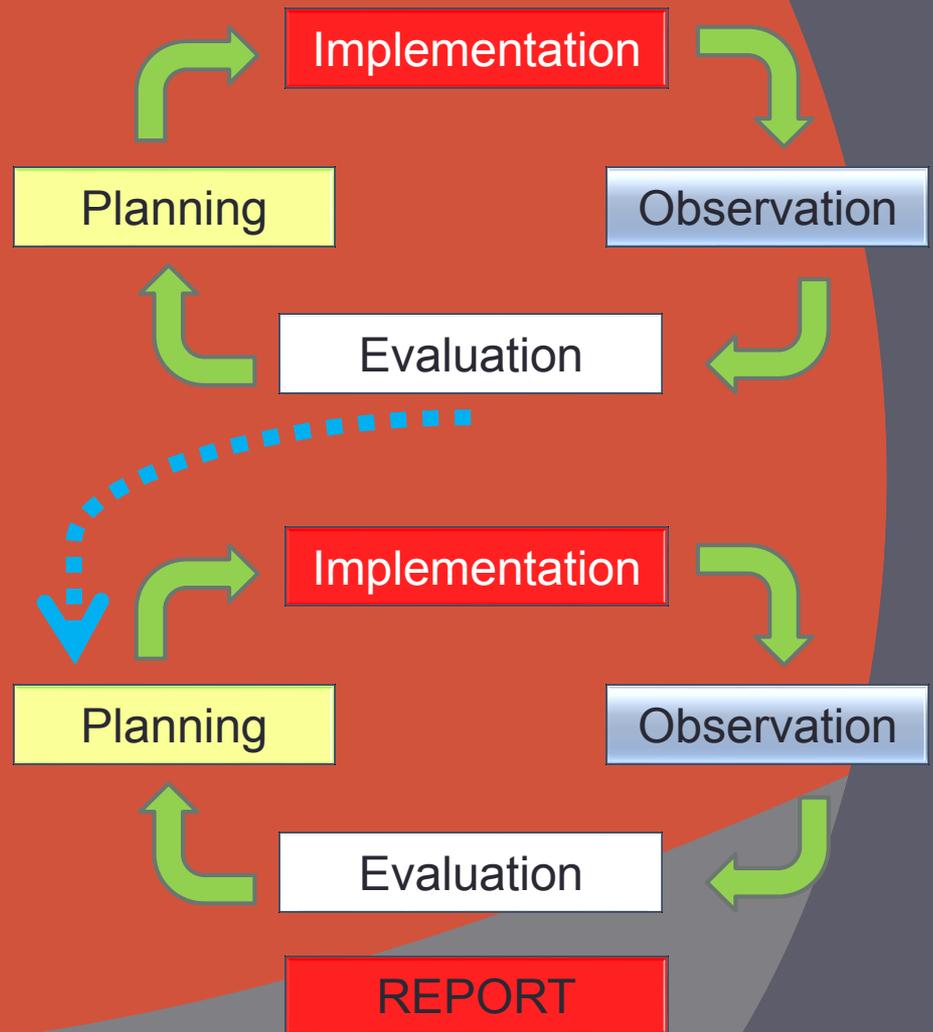

‘Classroom Action Research’

- To what extent does the use of the revised learning materials enhance students’ critical thinking skills?
- To what extent does the implementation of the learning strategies promote students’ critical thinking skills?
-

Implementation Cycle

- Planning
- Implementation
- Observation
- Reflection
