## **SAG Sessions**

### **5. Profiling: From Meta-Profiles to Degree Profiles**

**Facilitators: SAG Coordinators and EU experts**

Every group has discussed the Task 2 “Bridging between Meta-profile and reality”.

Open discussion about main findings in each institution has been followed by review the meta-profile taking into consideration the results of the institutional reports elaborated.

**Meta-Profile is discussed and agreed taking into consideration the input from each SAG Member.**

**22 March 2018**

## **SAG Sessions**

### **6. Formulating a Degree Profile. Designing a Programme**

**Facilitators: SAG Coordinators and EU experts**

Every group has worked on the elaboration of a degree profile (related to the meta-profile agreed). It was included the revision of the degree profile in order to accommodate the agreed competences and definition of the level of the competences included in the degree profile.

The work on designing a programme included the definition of the length, agreement on the modules/courses included, writing effective learning outcomes for each module/unit/course, and assessing the consistency between the profile, programme, competences and length. It has been followed by the elaboration of a draft version of a programme that will be finalized at home institution before Fourth General Meeting.

**Degree Profile of each participating university is formulated. First version of the programme of each university is drafted.**

### **7. Students' Workload**

**Facilitators: SAG Coordinators and EU experts**

Each group has discussed the procedure of the consultation process on the students workload and reached the agreement on survey organisation and criteria (target groups, year of study, universities, dates, etc).

**Survey on workload, its organisation and criteria are discussed and agreed.**

### **8. Summary Reports of SAGs**

**Speakers:**

SAG **Civil Engineering** Coordinator – **Ahmad Farhan SADULLAH**, *Universiti Sains Malaysia*

SAG **Medicine** Coordinator – **Muhamad Saiful Bahri YUSOFF**, *Universiti Sains Malaysia*

SAG **Teacher Education** Coordinator – **Richard JUGAR**, *University of San Carlos*

Every SAG Coordinator has presented the work done during the third general meeting, revision of Meta-Profile and information on bridging the Meta-Profile and reality, the

agreement on the students' workload survey and distribution of the tasks for the main project publication – Reference Points.

**Each individual task “Bridging between Meta-profile and reality” is discussed, Meta-Profile is revised and agreed, procedure and organisation of students' workload survey are agreed, tasks for the drafting the Reference Points are distributed.**

## 9. Tasks planned for time until the Fourth General Meeting.

**Speakers:**

**Pablo BENEITONE**, University of Deusto

**Ivan DYUKAREV**, University of Deusto

**Eduarne BARTOLOME**, University of Deusto

**Maria YAROSH**, University of Deusto

Pablo Beneitone, Ivan Dyukarev and Eduarne Bartolome summarized the task to be done before the Fourth General Meeting:

**TASK 1: Elaboration of a PROGRAMME Proposal (INDIVIDUAL)**

The task has to be done by each SAG Member (excluding implementing universities) before 15 July 2018.

**TASK 2: Measure student workload (INDIVIDUAL)**

The task has to be done by each SAG Member with the following sub-tasks and deadlines:

2.1 Send information about the semester to Coordinator (INDIVIDUAL) – 15 April 2018

2.2. Consultation process (INDIVIDUAL) 01 May – 15 July 2018

**Task 3: Preparing Final publication of each Subject Area (GROUP TASK)**

The task has been individually distributed within each SAG without any exact deadline at this time, but it is noted that the final draft of the Reference Points (ready for publication) has to be ready before Fifth General Meeting. It is recommended to present the first draft at the Fourth General Meeting.

Maria Yarosh presented the research activities of the Tuning Academy with special emphasis on the publications in Tuning Journal on Higher Education. Besides, she informed on the possibility of short-term research visits to the Tuning Academy.

The upcoming meetings schedule has been updated as following:

Fourth General Meeting      Bangkok, 17 – 22 September 2018

Fifth General Meeting      Vietnam, February 2019

Sixth General Meeting      EU Member State, September 2019

Ivan Dyukarev announced Policy Forum that will take place during the Fourth General Meeting. Participants of the Forum are academic and management staff of TA-SE project, practitioners from different institutions, decision-makers and policy-makers in higher education, as well as representatives of international organisations. The Forum will serve as a platform that allow participants to share their experience, knowledge and vision, discuss the current strategies and future trends in modernisation of higher education in the South East Asia.
